TALE OF 6/CUT

Caren & myself (Paul) are now into our fifth year and have established ourselves as a dog loving, family friendly venue.

We're a small independent, not part of any restaurant chain or large company it's crucial to have the continued amazing support from the local community (a big thank you) to survive.

Friendly staff, great service, fresh innovative cooking, featuring great breakfast n' brunch, the best burgers & fried chicken in town and of course our famous sourdough pizza.
